

## Tobacco Habit Dangerous

says Doctor Connor, formerly of Johns Hopkins Hospital. Thousands of men suffering from fatal diseases would be in perfect health today were it not for the deadly drug Nicotine. Stop the habit now before it's too late. It's a simple process to rid yourself of the tobacco habit in any form. Just go to any up-to-date drug store and get some Nicotol tablets; take them as directed and let the pernicious habit quickly vanish. Nicotol re-fund the money if they fail. Be sure to read large and interesting announcement by Doctor Connor soon to appear in this paper. It tells of the danger of nicotine poisoning and how to avoid it. In the meantime try Nicotol tablets; you will be surprised at the result.—Adv.

## An Enemy of Womanhood.

The complexion, digestion and almost the complete personality of woman are dependent upon health. Woman's ills are her great enemy, as they cause bad complexion, dark circles under the eyes, headache, backache, nervousness, sleeplessness, dragging-down pains and the blues, and often totally unfit her for a companion. The great American remedy for such conditions is Lydia E. Pinkham's Vegetable Compound, which has been restoring three generations of ailing women to health, and may be relied upon with perfect confidence.—Adv.

**Beautiful Women of Society, during the past seventy years have relied upon it for their distinguished appearance. The soft, refined, pearly white complexion it renders instantly, is always the source of flattering comment.**

Shower for Millicent McIntyre, Soon to Marry Franklin, Mass., Man.

A very pleasant evening was passed Oct. 4, when Mrs. F. E. Currier, assisted by Misses Alice Hudson and Lila Jameson, gave a miscellaneous shower to Millicent McIntyre in honor of her coming marriage to Frank Everett Dudley of Franklin, Mass.

The Currier home was beautifully decorated with autumn leaves. When the guests had arrived, the lights were turned off until Mrs. McIntyre unexpectedly stepped into the living room and the lights were turned on, many of her friends being there to welcome her. It is needless to say she was much surprised, as she was so overcome she could not say a word for a few seconds, but she soon regained her composure and was equal to the occasion.

The friends in charge gave her a ball of twine to wind and follow. The twine was very promiscuously woven and interwoven around the articles in the rooms, but Milly finally succeeded in extricating it and at the end of the twine, behind a screen in the library, she found a basket filled with presents, both useful and ornamental. Mrs. McIntyre took the wrappings from the packages and as she removed them the person giving the articles recited original poetry, which caused much merriment, as they showed much wit.

Refreshments of Welsh rabbit, cake and coffee were served and her friends departed, wishing her much future happiness.

Mr. Dudley is a contractor and builder, living at Franklin, Mass. For several years he has spent his winters in the south and upon their marriage he and his bride will go directly south, but, instead of settling in one place for the winter, will travel and visit many different places. The best wishes of her many Cabot friends go with her.

About 65 people enjoyed the regular meeting of Green Mountain chapter, No. 35, Order of the Eastern Star, on Oct. 10. Many were detained at home by illness. The degrees were conferred on one candidate and a past brother rejoined the membership. The grand officers present were Harry McGrillis of this chapter, associate grand patron of the Vermont grand chapter, Margaret Knowles of Queen Esther chapter, Waterbury, D. D. G. M. of district No. 4, and William Herrick of Rob Morris chapter, Montpelier, D. D. G. P. of district No. 4. Other guests were Gertrude Wilbur and Byron Wilbur, past matron and patron of Kingsbury chapter, North Montpelier. Pleasant remarks were made by all the guests and all the officers of this chapter were commended for the creditable manner in which the work was done. Before closing the chapter, an impromptu memorial service was held for Sister Hatch, Sister Tucker and Brother Marsh. As we shall meet for future work, we shall miss our sisters and brother. Prayer was offered by Sister Lyford and Sister Smith sang "Beautiful Isle of Somewhere." Refreshments were served in the banquet room, which was prettily decorated with house plants and autumn leaves.

## Cured His RUPTURE

I was badly ruptured while lifting a trunk several years ago. Doctors said my only hope of cure was an operation. Trusses did me no good. Finally I got hold of something that quickly and completely cured me. Years have passed and the rupture has never returned, although I am doing hard work as a carpenter. There was no operation, no lost time, no trouble. I have nothing to sell, but will give full information about how you may find a complete cure without operation, if you write to me, Eugene M. Pullen, Carpenter, 385F Marcellus avenue, Manhattan, N. Y. Better cut out this notice and show it to any other who are ruptured—you may save a life or at least stop the misery of rupture and the worry and danger of an operation.—Adv.
